

# Complaints Policy

We aim to always treat our customers fairly, especially when they feel they have cause for complaint. We take any complaint very seriously. Any complaint, whether made in writing or verbally, is immediately captured and recorded. If your complaint cannot be resolved by the first line support staff (e.g. customer service or your tutor), then your complaint will be referred to our **Group Customer Resolution Manager** to address your complaint in full.

## 3

Our complaints team will review your complaint and begin an investigation. They will aim to come back to you within 5 working days with an update or a resolution.

While we would always aim to complete an investigation within eight weeks, if, for any reason, our investigation is not concluded within this period, our Complaints Officer will write to you again. We will inform you of the reasons for the further delay and we will advise you that if you are not satisfied with our progress, you may refer the complaint to a relevant external arbitrator, such as Citizens Advice. To contact them, please visit **www.adviceguide.org.uk** or call the Citizens Advice consumer helpline on **0808 223 1133**

However, if you have taken out a credit agreement with our third-party finance provider then you will be within your rights to refer your complaint to the Financial Ombudsman Service if you are unhappy with the outcome of our investigation, or if the investigation exceeds 8 weeks. You must contact them within 6 months from the date of our final response to your complaint.
